The "Colour Determination" key below the decision matrix describes the total risk for each colour.

Mitigation Plan.

Cascais CDI's COVID-19 Mitigation Plan

Due to the current COVID-19 Pandemic, the following protocol and procedure will be followed during the Events so that the CHCE can hold its next 2021 CDI's safely and ensure everybody stays in good health.

If you have any symptoms, please stay home!

We have deliberately limited the number of horses and thanks to the size and layout of the facilities, as well as to the experience of our team, adequate conditions are provided for the fluid development of the competitions, following the guidelines set by the Portuguese health authorities and the Portuguese Equestrian Federation (FEP) to avoid risks associated with COVID-19 disease.

Those measures can be changed according to the evolution of the local rules and guidelines/recommandations.

1. GENERAL:

- Wearing of masks is **compulsory** on the entire facilities (Inside and outside areas);
- A safety distance of at least 2m must be maintained at all times whenever possible. In such cases where this is not viable you must wear a mask that covers both your nose and mouth (Surgical masks will be on sale at the Show Office);
- There will be regular disinfections done of all communal areas during the day (Bathrooms, showers, stable areas, horses showers, etc.).
- Hydro-alcoholic gel distributors will be available throughout the premises and you will be expected to use these regularly to sanitize your hands, **especially** when you access any area such as bathrooms, showers, stables areas, horses' showers, Show Office, Judges boxes, etc.
- There will be regular ventilation of closed areas including warehouses, restaurants, offices, bathrooms, showers, Judges boxes, etc.
- In the case that you experience any symptoms related to COVID-19 you must cancel your entries and may not attend / must leave the premises and enter in contact with the relevant health services. If you deem necessary to be isolated, inform the Show Office immediately.
- The competitions will go on with limited public and therefore accreditation will always be necessary to enter the facilities.

- The number of people allowed to access the competitions is restricted to the minimum necessary in order for the event to run properly and with maximum safety.

2. ON ARRIVAL AT THE SHOWGROUNDS:

- Upon your arrival, your horses will be directed to their assigned stables/boxes by our Stable Manager.
- Passports and travel documents will be handed over to the Stable Manager.
- Once legal documentation **has** been passed to the Stable Manager, you will be provided with a file containing your competitions numbers, accreditation for members of your team and a written protocol that must be followed during your stay with us. Please ensure that this Protocol is read carefully.
- Please make sure that you wear a mask on any visit to the Show Office. Surgical masks will be available for sale at the Show Office. There will be a limit of three people in the Show office at any one time. The secretary will attend only one person at a time, we are asking you not to come to the office in groups but delegate a single person.
- We recommend that you visit the Show Office only for essential matters.
- Riders will find entries orders and all other relevant details on the online OC website:

<https://events.linesup.pt/events?t=2&e=>

3. STABLE AREA

- Empty stables will be left between group of riders. These are not to be used.
- We recommend that everyone takes the utmost care to sanitize their own allocated areas during the competitions, at adequate intervals.
- Hydrogel's distributors will be available both at the entrances to the stables and at the horses' showers areas.
- The horses' showers will be regularly sanitized by our staff. The use of hydrogel before using those facilities is mandatory.

4. SECRETARY

- We recommend the **use** of www.linesup.pt for planning at the competitions.

- Information boards will be available at the showground in various locations (With useful information, timetables, order to go, Start lists, results, etc. etc.).

5. WARM UP ARENA

- Access to the arena will be controlled at all times, only 6 horses that are entered in the current/relevant class will be allowed to enter.
- Circular arena is reserved for lunging only.
- Only one person per rider may access the warm up arena.
- Stewards will be in charge of monitoring and enforcing the aforementioned.

6. PRIZE GIVING CEREMONIES

- Protocol for prize giving ceremonies will be explained on the show ground.

III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Chemin de la Joliette 8, CH-1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>
